The 2012 Clan Wallace Society Worldwide International Gathering will be in conjunction with the Calgary Highland Games and the Canmore Highland Games. Calgary's reputation as both a modern big city and a friendly wild western town allows Clan Wallace to experience the best of both worlds. Located just east of the world famous Banff Nation Park, and about 70 miles west of Calgary, is Canmore. This picturesque town from its humble beginnings as a coal mining town is now a popular year-round vacation travel and resort destination.

Both Calgary and Canmore Highland Games are one-day events, Saturday & Sunday respectively, and offer Clan Tents, Piping and Drumming Competitions, Highland Dancing, Heavy Sports, Vendors and much, much more.

The cost of the Games and their events are separate from the Gathering and their costs will be borne by the attendees. Transportation to the Games will be included in your Gathering registration.
