

The Clan Wallace Society Rewards Program

The Clan Wallace Society (CWS) fulfills the principles of its Articles of Incorporation by reprinting out of date books about the history of Scotland, by collecting, restoring, and preserving places and objects of interest to the public, especially to the Clan and Family of Wallace. An early project was the purchase of five bronze (colored) plates to complete the Wallace Monument in Elderslie, the main reason CWS was formed in 1966. The plaques were placed in 1970.

Wallace Monument in Elderslie

Clan Wallace has officially established a Rewards Program to give contributors the opportunity to assist in the implementation of its stated goals. It provides a positive method for individuals to show their support and entrepreneurial spirit, while receiving in return tangible and attractive tokens of gratitude designed specifically for our Clan Society. Donations of any size can be made and can be tailored to an individual's ability to give over any time period, and all contributions to the Rewards Program are greatly appreciated. Rewards are provided to the contributor as each Reward Level is reached.

Larger donations that exceed other Reward levels will result in the higher Reward and all subordinate Reward Level elements being awarded, except for the Certificates. Together, we can achieve Society goals through the Rewards Program and our tax-deductible donations. Every donation, regardless of size, helps the Society accomplish its goals. We invite everyone to participate in the Rewards Program. For more information, go to:

Rewards Program Administration

All donations are recorded in personal accounts for ongoing action. All donations are welcomed and are cumulative. When a person makes further donations, they are recorded in their personal account, and they receive those Rewards. Contributors receive a letter from the Society Treasurer acknowledging their contribution, notice of the amount that is tax deductible, and a citation of CWS Tax Exempt status. Contributors will also receive a Letter from the President congratulating the donor on their Reward, a Certificate, and Newsletter publicity. This tiered level of rewards was developed to thank contributors for their generosity. The five levels of Rewards are depicted at the right.

Members, non-members, and organizations may make donations to the Rewards Program by sending name, address, phone number, and e-mail addresses along with their donation checks in the name of the Clan Wallace Society to:
